

#### THE MANIFESTATION OF COMPASSION THROUGH VISUAL AND LITERARY ART

As a network built on collaboration and shared vision, Compassionate Houston is delighted for the honor to share a 2020 exhibit by WiVLA (Women in the Visual and Literary Arts), an organization known for its collaborations by creative women!

Born in 1994, WiVLA, has held a collaboration almost every other year. The 2020 collaboration was on the theme of COMPASSION. A total of 19 pairings of visual and literary artists explored this theme, so dear to our own hearts. In partnership with Holocaust Museum Houston, the exhibit first appeared on the Museum's website and WiVLA's exhibition catalog.

One of the reasons we are so excited about this exhibition and collaboration with WiVLA is that the artists' expressions of compassion add value to what we are teaching in Compassionate Integrity Training (CIT) and to the current understanding of skills such as compassion, empathy, common humanity).
